Selected Accommodation options

in and around Nafplio, Peloponnese

Opora Country Living

Nestled within 30 acres of olive trees, lies Opora Country Living, a farm-like cluster of cottages resembling a rustic village. Their country living style and ethos is not deprived of all modern - if not - luxurious amenities. Any way you slice it, Opora Country living is a relaxing piece of paradise for those longing to get in touch with nature while unwinding in earthy, yet stylish, sophisticated surroundings.

The name speaks for itself. Dating back to 1841, this family owned house has been revamped into a traditional guesthouse just a few steps away from Syntagma square. What this renovation didn't change is the homey feeling, now enhanced by the owner's warm hospitality. Coupling traditional lifestyle in the very heart of the city with subtle luxury accommodation in those shabby chic surroundings will entice you.

Nafplion 1841

Agrotospita

Wondering what Agrotospita stands for? It's the small cottages villagers used to build close to the fields to self-cater their daily needs. Hence, Agrotospita are in perfect line with the rural life synced with excellent service levels and the comfortable accommodation modern amenities enable. Ideal for those who want to press pause, reverse time and experience life in the countryside.
